

FOOD SAFETY POLICY

Citrus Juice is committed to:

- Developing quality and safe products, respecting socio-environmental issues, that do not pose a risk to consumers' health and meet the expectations of its customers, considering regulatory and statutory requirements;
- Maintaining effective communication with all areas involved in the process, such as partners, suppliers, customers, employees and regulatory entities, aiming to meet the continuous improvement of the management system;
- Complying with applicable requirements for continuous improvement of the effectiveness of the Management System;
- Training and developing employees, ensuring the necessary skills, developing an organizational culture and people's commitment to teamwork to produce quality and safe food.
- Meeting the interests of customers, employees, the community, partners and stakeholders in an integrated manner.

MISSION

Citrus Juice aims to produce concentrated and clarified juices, essential oils and dried peels in a safe and high-quality manner, suited to the needs of its customers, contributing to the development of the region where it operates.

VISION

The company aims to become one of the largest Brazilian producers and exporters of concentrated and clarified juices, essential oils and dried peels.
