

HALAL POLICY

Citrus Juice has the following Halal Policy:

- Production of Halal products that comply with the requirements established in Islamic Jurisprudence, relevant legislation and Halal certification rules.
- To be recognized in the HALAL product market as a company of excellence in its production process, thus ensuring that the products produced meet the expectations of its customers.
- Comply with the applicable requirements of the Halal Assurance System (HAS).
- Communication of Halal concepts to all employees involved in the production of the products.
